Immobilienbeschreibung

We have this house in an attractive location in a beautiful bay near Trogir.

It needs refurbishing throughout and this is well reflected in the price, which makes this a superb value property for someone who is prepared to treat this as a renovation project.

It is located in the 3rd row from the sea on beautiful rocky beach known for the clean beach.

The house has ground floor and 1st floor with a total floor area of 120 m2 plus a level terrace on the ground floor, which is an extra approx. 100 m2.

Below the house is also a storage area of 40 m2 and a water tank of 19 cubic meters.

The total land area is 512 m2.

It has direct access road and parking lot 18m x 5 m is sufficient for approx. 5 cars.

On the ground floor there is a kitchen, living room, bathroom, small storage room and access to the spacious terrace which has great views overlooking the sea.

The first floor has a living room, kitchen, 3 bedrooms, bathroom and balcony, again with a great sea view.

The house needs renovation, but it is a remarkable opportunity for excellent location and proximity to the beach.

The distance from the town centre is about 3 min. driving, where there are many choices of shops, cafes, restaurants and other facilities.
