Immobilienbeschreibung

We are offering this building plot measuring 1000 m2 size.

It is situated on the edge of an attractive and typical Dalmatian village on Hvar island, 5 minutes walk from the shore and sloping gently to give great sea views.

From the plot you can see the bay, Brac, and Makarska Riviera on the mainland.

The land is suitable for building a large family villa with a swimming pool or a duplex house (apartment house).

The access road leads to land.

The plot is conveniently close to the village centre - approx. 7 minutes' walk - where there are shops, bars, cafes and other useful services, as well as ferry access.

For questions and to agree about viewing the property please contact the CPS - Hvar office.
