Immobilienbeschreibung

Priced to sell

For sale we have this large house built from local stone, located in an inland village on the eastern side of Brac island.

It offers beautiful views on the sea and valley, only few minutes car ride from the beaches in Sumartin.

The house is spread on 4 floors, sized 500 m2 in total, all of which are internally connected.

Ground floor consists of hall, 2 bedrooms, toilet, bathroom, living room, kitchen, dining room and terrace.

First floor hosts 2 bedrooms, toilet, bathroom, kitchen and hall.

The attick is yet to be finished. Basement is of substantial size and contains indoor swimming pool with access to outside sundeck area.

With few modifications and completion, this property could be perfect for high-end tourism.
