Immobilienbeschreibung

We have this building plot of 428 m2, elevated, with beautiful sea view in a small village on the north side of the island.

On this plot there would be permission to build a house consisting of a basement, ground floor and first floor.

The plot is ready for immediate work and the approach path is two-sided.

Electricity and sewerage connections are right next to the plot.

It is a quiet part of the village, with only a few houses are nearby, but a short walk to shops, bar and coffee shops in the centre.

Distance from the sea 300 m. This village is about 5 km from the ferry port.
