Immobilienbeschreibung

We have this building plot of 695 m2, with sea view in a small village on the north side of the island.

This plot is appropriate for a house consisting of a basement, ground floor and first floor and permission would be granted for this.

The plot is ready for immediate work.

It has easy car access, and electricity and sewerage connections are right next to the plot.

It is a quiet part of the village, with only a few houses nearby, but a short walk to the centre.

Distance from the sea 80 m.

This village is about 2 km from the ferry port.
