## Immobilienbeschreibung

---

It is our pleasure to introduce to you this family house on the island of Murter, located in the first row to the sea.

The house has a living space of 120 m<sup>2</sup> and is located on a plot of 235 m<sup>2</sup>.

The garage is located in the basement, while the ground floor consists of: three rooms (two bedrooms and a large living room), kitchen with dining room, bathroom, small toilet, storage room behind the house and beautiful large terrace offering a fantastic view of the sea and the island Murter.

In front on the house, there is parking space for another car. The distance to the sea and the beach is only 10 m and to the center of the village 500 m.

The garden is nicely decorated with traditional Mediterranean plants.

With a small change in the interior space design, it is possible to get an extra 20 m<sup>2</sup> from a water tank that is no longer in use.

Distances:

- The center of the resort is 500 m away.
- The sea is 10 m away.
- Sibenik is 20 km away.
- Split Airport is 70 km away.

For any questions or enquiries, please contact CPS office in Split.
