We are happy to offer this once in a lifetime offer, 2 beautiful villas next to each other, modernly furnished and equipped.

The villas are located on an attractive location on the south side of Ciovo island, only a few minutes from a beautiful pebble beach, surrounded with nature and forest.

Each villa has its own private entrance.

They consist of 2 bedrooms, 2 bathrooms, completely furnished kitchen and a spacious living room area. Each villa has its own swimming pool, a garden with a grill, garage and a roof terrace for rest and relaxation, providing a stunning view of the surrounding area. Both villas can be privately used or for renting to tourists.

They are completely renovated and furnished with modern furniture and household appliances which are all included in the price.

A small village center is located approximately 300 m while Trogir is 4 km away.

The price is not a mistake, it is a once in a lifetime offer to get 2 villas and needs to be reacted quickly! For more information, feel free to contact our agency.
