Immobilienbeschreibung

Attractive building land plot in the first row to the sea.

The plot has 1180 m² and is located only 10 m from a beautiful beach. The land is oriented towards the south and offers a beautiful view of the sea. Currently, there is a small house on the plot that should be demolished.

Due to its size, the land is perfect for building a villa or apartment buildings.

All necessary infrastructure is present (electricity, water, sewage).

All the necessary facilities (cafes, restaurants, shops ...) are only a few minutes walk away from the plot.

Split International Airport is 32 km away.

For all additional questions please contact our CPS office in Split.
