## Immobilienbeschreibung

---

Large agricultural land, of approx. 6000 m2, with sea view.

A small stone house of 25 m2 can be built on the land. Upper floor of the cottage would offer a beautiful view of the sea and Brac island.

Electricity can be solved by solar panels, and a tank is created for water. The land plot lies on the flat ground, in the middle of beautiful, untouched, nature.

A macadam road of 3 km leads up to the plot.

Ideal location for anyone who enjoys nature, peace and quiet.
