Immobilienbeschreibung

We are excited to present this beautiful, completely renovated, old stone house, located in the center of Split, not far from Riva.

The house has a total area of 100 m² + terrace of 10m². It consists of four floors (each floor has 25 m²). On each floor there is a studio apartment with a bathroom and a small kitchen.

On the ground floor there is a reception desk and a laundry room.

There is no car access, as the house is located in the old town.

The house is completely renovated and furnished, and has been very successfully used in tourism rental business. Due to its state and superb location, this property offers tremendous potential.

For any additional questions please contact our CPS office in Split.
