Immobilienbeschreibung

Apartments for sale in attractive location on the island of Hvar.

The apartment house is still under construction and is located 50 m from the sea. Each apartment is spread over 4 floors.

There is a fitness room, a sauna and a bathroom in the basement. On the ground floor there is a kitchen and bathroom, on the first floor living room and bathroom, and on the second floor two bedrooms and bathroom.

While the building is under construction, the buyer can make a different layout of rooms.

Each apartment has two parking spaces and a garden. There is a possibility to build a pool or jacuzzi in the garden.

The house is located near the sea and the pebble beach.

For any additional questions please contact our CPS office in Hvar.
