## Immobilienbeschreibung

Luxurious, recently completely renovated apartment in an ideal location near Diocletian's Palace.

Despite being close to the center, the apartment is located in a quiet part of town.

The apartment has 80 m2 of living space and consists of a spacious and bright living room, a kitchen with a dining room and three bedrooms and two bathrooms.

Everything is completely new and unused, and in the renovation that just ended, the best quality materials were used. Building has car access and there is a secured parking space in the yard in front of the house.

The apartment is ideal for renting, as well as for tourist renting.

For any additional questions, please contact the CPS office in Split.
