## Immobilienbeschreibung

---

We are happy to offer this spectacular penthouse apartment on the south side of Ciovo island, only 30 m from the crystal-clear sea.

Planned completion is the end of 2019. Nearby is a walk trail with many natural rocky beaches to choose from and a splendid view towards the island of Brac and Solta.

Building consists of 3 stories and the penthouse is the only one left for sale. It consists of 3 bedrooms, bathroom, toilet, living room area, kitchen and dining room area and a loggia with a beautiful sea view.

Total size of the internal area is 106sqm. On both sides of the building is a swimming pool for all tenants. Big advantage of this penthouse is a spacious roof terrace of 80 sqm, providing an even better sea view, along with peace and quiet for its owners.

Additionally, there is an option of a swimming pool on the roof terrace as well, which would give additional charm and "wow" effect to the whole apartment.

In front of the building are 2 parking spaces allocated for the apartment. This location is perfect because it provides peace and quiet and it is located in one of the most beautiful areas on Ciovo island.
