Building land plot with a view on a small village, pine forest, and a distant sea view, as well.

The land area is 400 m<sup>2</sup>, and is located below the main road, on a sloping terrain, so it is not possible to obstruct the nice view. The land is ideal for building a family house.

The plot has secured access to the vehicle and an asphalt road leads to it.

The electricity connection is located on the plot, the water connection is only 3 meters from the plot, and the telephone pole is in the immediate vicinity of the plot.

The land is located some 800 m from the sea, and 8 km from the center of Vis and the ferry port.

Restaurants and shops are nearby.
