Immobilienbeschreibung

Beautiful family house in Tribunj, in an excellent location!

The house consists of a ground floor, first floor and attic. There is a barbeque in the courtyard.

All necessary facilities are close to the house (shopping, health care services, the marina, a public parking lot, beaches..).

The house is located in the first row from the sea, with an excellent view on the old city and the sea.

On the ground floor of the house there is a hallway, storage room, guest room, washroom, and kitchen with dining room. The dining room also has a fireplace.

The internal staircase leads to the upper floor where there is a master bedroom with washroom, a living room which leads to the terrace.

In the living room there are large glass walls, a high ceiling with space for a gallery which can be used as a bedroom or a study.
